

### AMENDMENTS TO THE SPECIFICATION

Please amend the paragraph beginning on p. 14, line 17 by breaking it into two paragraphs and canceling and adding text as follows:

-- With reference to FIG. 26, patient contact information 2602 may be requested.  
The patient may alternatively elect to remain anonymous, such as by marking a check-  
box 2604, the

Level 1 questions can be used as an initial filter for patients. Patients enter  
information including disease of concern, age, and gender, such as shown for lung cancer  
in FIG. 4. ~~FIG. 26 illustrates one embodiment of the patient interface displaying a~~  
~~portion 2602 of the level 1 questions that may be presented for Breast Cancer.~~ --
